Dinghy 12 Alpencup, Mattsee, Austria

03/04 June 2022

The event, which will be hosted by Segelclub Mattsee (www.segelclub-mattsee.at) will start in the late afternoon of Friday 3rd of June.

There will be one race on Friday followed by four more races on Saturday 4th.

Social events will probably include a beer and sausage supper on Friday evening and dinner and prizegiving on Saturday evening. (Sunday remains free for the trip back home or for leisure sailing etc.)

Ezio Prativiera tells us:

The surroundings are really lovely too. In Mattsee you can visit the Porsche Museum (really cool), and you can take a trip on a very old wooden lake boat which sails through a small channel to a nearby lake. Salzburg is less than 30 minutes' drive away with plenty of things to see and taste!

Ezio will be happy to answer your questions. You can contact him at eciobecio@gmail.com

6^e Rassemblement BATEAUX DE JAUGES CLASSIQUES 3-4 SEPTEMBRE 2022

Une régates festive pour mettre en valeur
le patrimoine lémanique

Pour sa sixième édition, la SNR cherche à réunir dans une vraie régates et lors d'une parade, des yachts des différentes jauges ayant eu une importance sur notre lac.

Nous avons rassemblé jusque-là des voiliers de jauges métriques, de la jauge Godinet, des 15m² SNS, des 6m.50, des 8m.50, des 20m² Encouragement, ou encore des jauges moins représentées sur le Léman comme les 22m² et 30m² Suédois ou des 45m² Binnenkreuser.

Cette année nous invitons deux séries monotypes à se joindre à la flottille: la classe internationale des **Dinghy 12'** et celle très lémanique des **Mouchérons**.

Le propos de cette manifestation est certes d'offrir une belle régates aux participants, mais bien plus encore de mettre en valeur pour le public cette flotte originale et mal connue en expliquant au cours d'une parade commentée, l'histoire et les particularités de ces jauges et de ces bateaux.

Nous vous promettons une belle manifestation les 3 et 4 septembre prochains!

Venez naviguer dans la baie de Rolle avec votre voilier de régates ancien!
